IN THE MATTER OF ARIZONA PUBLIC
SERVICE COMPANY'S REQUEST FOR
APPROVAL OF SCHOOLS AND
GOVERNMENT RENEWABLE ENERGY
PROGRAM

DOCKET NO. E-01345A-10-0166

MOTION FOR CONSOLIDATION

Arizona Public Service Company ("APS" or "Company") hereby moves to consolidate Docket No. E-01345A-10-0166, APS's Request for Approval of Schools and Government Renewable Energy Program ("Schools and Government Program") with Docket No. E 013345A-10-0262, the Company's 2011 Renewable Energy Standard ("RES") Implementation Plan ("2011 Plan").

The Schools and Government Program was filed April 29, 2010, in compliance with Commission Decision No. 71448.¹ With that filing, APS is seeking approval of a new program for on-site renewable energy for schools and governmental institutions that will substantially reduce or eliminate up-front costs for solar energy. APS's 2011 Plan was filed July 1, 2010, in compliance with the RES Rules.² The 2011 Plan addresses the implementation strategy APS will employ to achieve compliance with the 2011 RES requirements and to meet its obligations pursuant to Decision No. 71448.

The Schools and Government Program is relevant to the 2011 Plan, and the consolidation of these matters will assist the Commission in its consideration of both. Therefore, to allow for a comprehensive review of all the 2011 programs proposed by the

¹ Issued Dec. 30, 2009. This Decision adopted the Settlement Agreement from APS's most recent rate case.

² A.A.C. R14-2-1813.

1 Company, APS requests that the Commission consolidate the Schools and Government
2 Program with the 2011 Plan. Further, because the 2011 Plan proposes comprehensive
3 modifications to the distributed energy incentives, APS intends that incentive levels and
4 modification to program requirements set forth in the 2011 Plan will supersede those included
5 in the April 29th Schools and Government Program filing.

6 RESPECTFULLY SUBMITTED this 15th day of July, 2010.
